Learn Energy Healing with World Renowned Healer Donna Eden

Tickets are now on sale for a rare opportunity to learn energy healing techniques directly from Donna Eden, one of the foremost leaders in the field of energy medicine and author of the classic bestseller *Energy Medicine* and follow-up, award-winning *Energy Medicine for Women*.

Eden has the ability to see, feel, and transform the human energy field, as well as empower her students to unleash their own innate ability to learn the language of energy. Although her worldwide workshops are often attended by physicians, nurses, and health professionals, she teaches self-healing techniques that anyone can put into practice.

This is an interactive, hands-on experience which no one should miss, starting Friday, September 27, 7 p.m. to 10 p.m., and continuing Saturday, September 28, 9 a.m. to 5 p.m. Tickets are \$149, available at Wings Bookstore, 4500 4th Street North, St. Petersburg, 727-522-6657, or online at WingsBookstore.com. A limited number of Friday evening-only tickets are available for \$49. Workshop location is First Unity Campus, 460 46th Avenue North, St. Petersburg.

Tampa Bay to Host American School of Natural Health

A local natural health school begins classes this September in Tampa. The American School of Natural Health (ASNH)

AMERICAN
SCHOOL OF
NATURAL HEALTH

is licensed by the Florida Department of Education's Commission for Independent Education and

offers the following programs: Nutrition Consultant, Herbal Consultant, Natural Health Practitioner, Master Nutritionist, and Master Herbalist.

Courses are taught over the weekends. Each course can be completed within one to two years. ASNH Founder and President, Hermann Keppler, has a background in naturopathy, with over three decades of experience treating patients via naturalistic means. Previously, Keppler founded the College of Naturopathic Medicine UK and College of Naturopathic Medicine Ireland.

Open House for the American School of Natural Health will be held in five cities in Tampa Bay and the surrounding area: Tampa, St. Petersburg, Clearwater, Orlando, and Sarasota. The Open Houses will offer an opportunity for the public to explore the various course offerings, garner a sense of the educational institution's core mission, and meet with members of the ASNH staff.

Full details on the Open House for each city can be found on the ASNH event page, AmericanSchoolofNaturalHealth.com/events, or by contacting 727-265-1714 or Info@asnh.us.
